

Promoting the safe and effective use of powered access

New Membership Category for Safety Professionals - Join Now!

Are you a Health & Safety Manager, Supervisor or Officer, or do you work in another safety role concerning the use of powered access and general issues with work at height?

If so, becoming an IPAF member in this new category is especially for you and is a great way for you to stay up-to-date with the latest information and guidance in the world of powered access.

Benefits of becoming an IPAF Safety Professional member include:

- Free participation in a specific annual Safety Professionals webinar with leading speakers from the powered access industry
- Access to a private LinkedIn group for safety professionals to share knowledge and best practice
- Access to the members' only area of the IPAF website
- Access to the IPAF accident reporting portal members' dashboard
- Discounted subscription for leading H&S publication

**Ask a member of IPAF staff for more details,
or email: members@ipaf.org**

Annual membership fee: £58 / US \$99 / €81

N.B. If the applicant is employed by an existing IPAF member, a 50% discount on the new applicant's membership fee is applied. This category has associate member status (not a voting member).
